THE PIZZA HUT BOOK

DOZJA Kindergarten Class

To encourage students to find the joy in reading, the Kindergarten class is participating in the BOOK It! Program with Pizza Hut. The mission of the program is to turn “have to read” into “want to read”. For the month of October, six students were awarded a Reading Certificate good for free, one topping Personal Pan Pizza at Pizza Hut for meeting their monthly reading goal.

A VISIT FROM DELRAY BEACH FIRE DEPARTMENT

The firefighters' visit to Daughter of Zion Junior Academy was a highly anticipated event that left the children brimming with excitement. The experience proved to be an invaluable educational opportunity as it transformed the content of their textbooks into a vivid, hands-on encounter. The students learned an abundance of valuable information by being able to see, touch, and ask questions about the firefighting equipment and procedures. The visit not only sparked their interest in the subject but also instilled a deeper appreciation for the brave men and women who serve as firefighters in their community.
